بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

You will learn

- ▶ The importance of breastfeeding
- ▶ Thought to love Allah
- ▶ Teaching the duties of Islam
- ▶ Surrounded with good qualities

01

Understand the importance of
breastfeeding

After the birth of a child,
mothers are advised to
breastfeed.

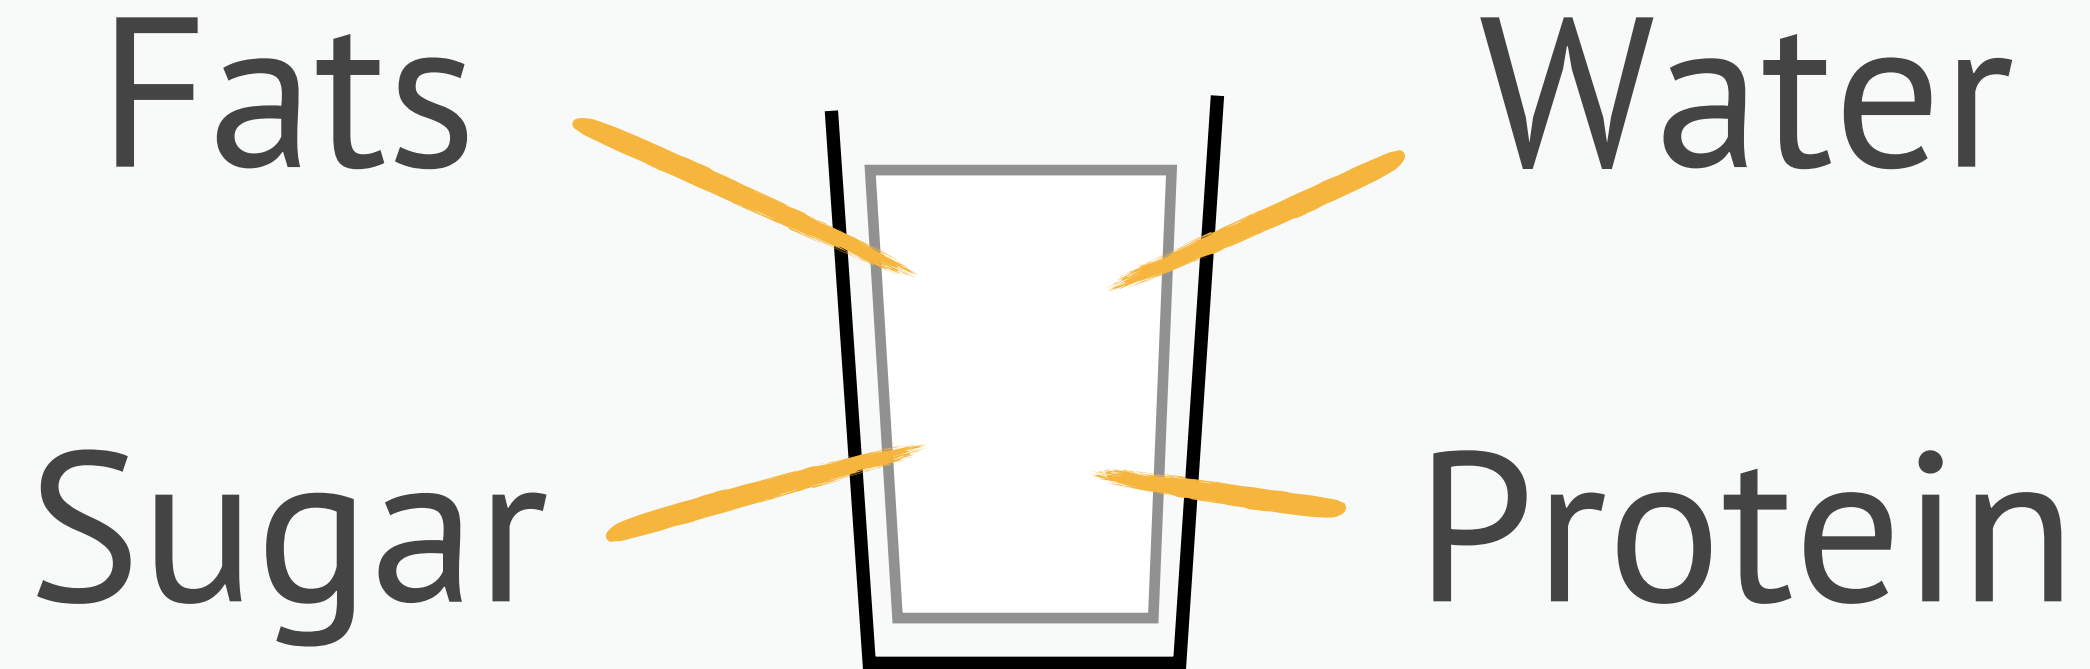

Why?

Because breast milk was
designed by Allah to
specifically fit the needs of
each individual child.

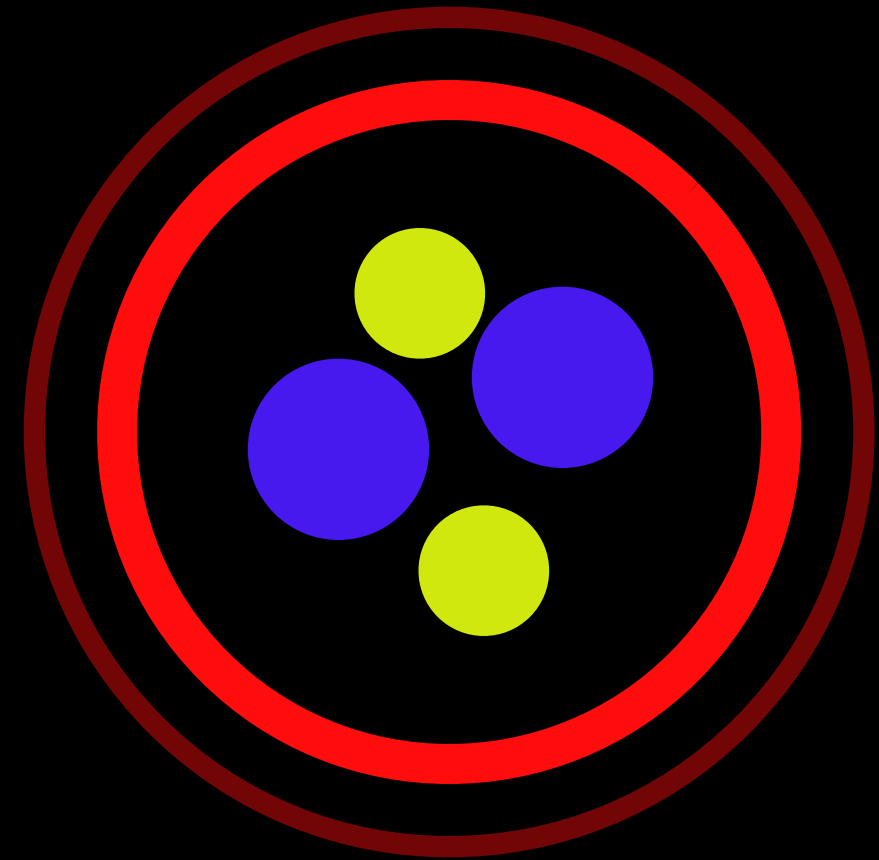

Did you know?

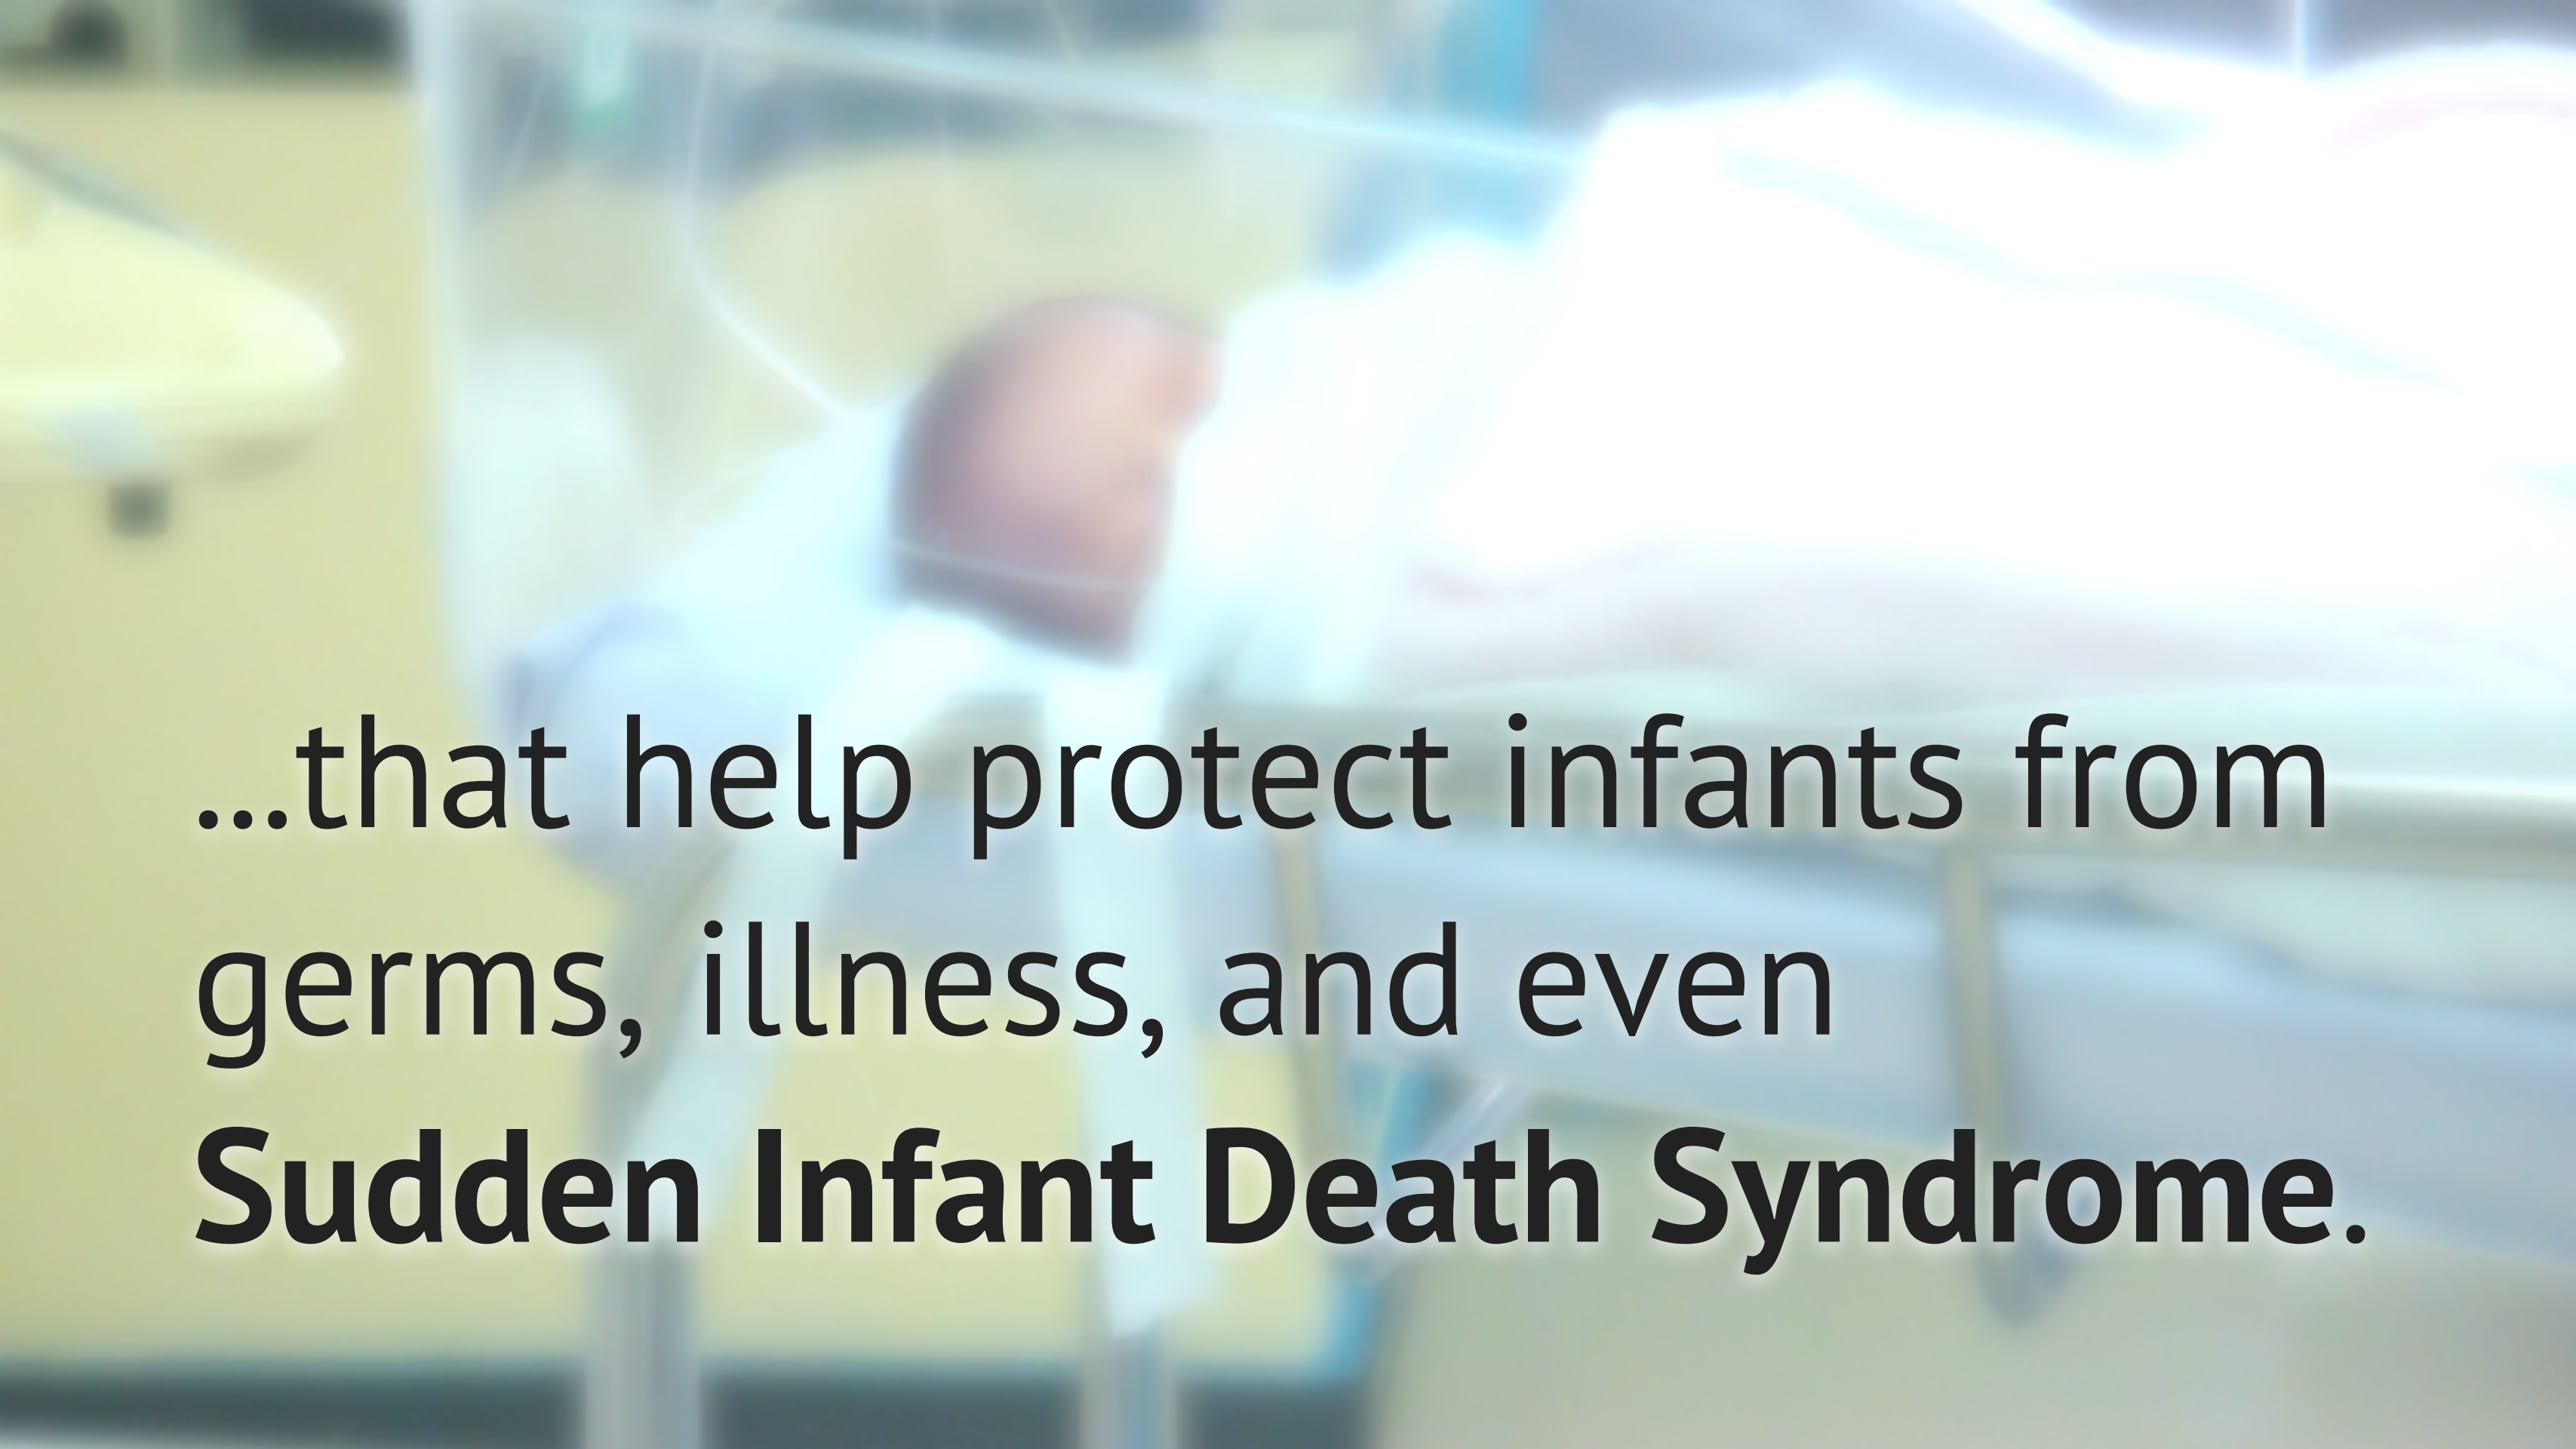

By the third to fifth day after the birth, **breast milk** has just the right amount of fat, sugar, water, and protein that is needed for a baby's growth.

It has disease-fighting cells
called **antibodies**...

...that help protect infants from
germs, illness, and even
Sudden Infant Death Syndrome.

Fast fact

‘Sudden Infant Death Syndrome’
(SIDS) is the sudden, unexplained death of an infant younger than one year old.

Fast fact

Also known as “**crib death**”
because many babies who die of
SIDS are found in their cribs.

Sudden Infant Death Syndrome.

“ *Mothers may **breastfeed**
their children 2 complete
years...*

Surah Baqarah 2:223

“*...for whoever wishes to
complete the nursing
(period).”*

Surah Baqarah 2:233

02

Thought to love Allah

As soon as they are old enough to understand, children should be taught to **love** Allah.

It is the parents **responsibility**
to teach children →

That Allah is One,
and there is none worthy of
worship but Allah.

1

And (remember) when
Luqman said to his
son when he was
advising him:

**“ O my son! do not associate
(anything) with Allah...**

Surah Luqman 31:13

**“ *Indeed, association
(anything with Allah) is
great injustice.* ”**

Surah Luqman 31:13

03

Teaching the duties of Islam

Parents & guardians, are
responsible for teaching their
children the duties of Islam.

And the best way to do
this is by **example**.

Children learn by **observing**
the behavior of those
around them.

Our Prophet Muhammad,
peace be upon him said...

“ *We learn that it is
obligatory upon us to
teach our children...*

Narrated by Aisha from Sahih Bukhari

“

*...to **pray** when they are 7
years old and to **scold** them
(in a mild and good-willed manner)*

Narrated by Aisha from Sahih Bukhari

“...for **not praying** when
they reach the age of 10.”

Narrated by Aisha from Sahih Bukhari

04

Surrounded with
good qualities

Children **should be able** to see
those around them...

...performing acts of worship
such as reading the Quran,

...and should also observe their
parents & guardians displaying
good manners and morals.

Islamic scholar **Imam Nawawi**
once said...

The father should bring his
children up with **good manners**
in all things,

...He should keep
them away from
evil characteristics
such as...

- cowardice
- stinginess
- lack of nobility
- lack of ambition

Good Examples

Leads to 

Good Understandings

May you find this **beneficial** for
you & your family.

Have a good day and May Allah
bless us with his **Rahmah.**
